We believe in transparency, quality, and protecting your investment. To ensure you're getting the best value, we offer a **Price Match Program** — but not all estimates are created equal.

KFR ROOFING SOLUTIONS

WE WILL MATCH THE AVERAGE OF ALL QUALIFYING ESTIMATES THAT MEET THESE KEY STANDARDS:

Don't risk your home on an inferior estimate — let's make sure you get the best deal AND the best protection.

MEETS LOCAL BUILDING CODES
No shortcuts, no surprises.

MEETS MANUFACTURER WARRANTY STANDARDS
So your investment is fully protected.

COMPETITORS INSURANCE COVERAGE MATTERS
They must have a current worker's comp insurance policy and not just a state issued exemption certificate and General liability policy.

COMPETITOR REPUTATION MATTERS
Company must have a 4.5+ Google rating to qualify.

ON SITE PROJECT MANAGER
A dedicated project manager must be assigned on site for the duration of the project.

Our team will personally review and compare your estimates with you, ensuring you understand exactly what you're getting and what the quotes might be missing. Then we will work with you to try to build a customized roof package that will match the competitors bid.
